# About Us

Hi! We're Natasha & Dan, the heart and soul behind DIY Date Night. We're delighted to have you join us on this journey of romance, adventure, and connection!

As a now-retired military family, we travel extensively, experiencing the beauty of diverse cultures and landscapes. We started our adventure together on the sandy shores of Florida — literally! Our first “date” was sitting on Cocoa Beach for hours talking!

From there, we went to the vibrant streets of Puerto Rico where we lived and rescued our two crazy pups Roxy & Rico. Then we headed to the frozen amazingness of Alaska, and now we've settled in the mountains of Colorado. We're so excited to have you on this journey to bring more connection and excitement to your relationship!
