**Anniversaries are a time to celebrate the joys of today, the memories of yesterday, and the hopes of tomorrow.**

Your anniversary is just around the corner, and let's face it - this calls for more than just grabbing dinner at your usual spot.

This is your chance to hit pause on the daily grind and really celebrate what you've built together. Whether it's been one year or twenty, your journey is worth honoring.

Think about what you both love doing together, or maybe something you've always wanted to try.

We'll walk you through the practical stuff too, like what to consider when choosing a location, how to prepare, and what to remember on the day itself. And for those wanting to go the extra mile, we've thrown in some bonus ideas like a casino night, a trip down memory lane, or a sunset celebration.

With this planner in your back pocket, you're all set to create an anniversary that's uniquely you. So let's get planning and make this celebration one for the books!

# About Us

Hi! We're Natasha & Dan, the heart and soul behind Dream Date Nights. We're delighted to have you join us on this journey of romance, adventure, and connection!

As a now-retired military family, we travel extensively, experiencing the beauty of diverse cultures and landscapes. We started our adventure together on the sandy shores of Florida — literally! Our first “date” was sitting on Cocoa Beach for hours talking!

From there, we went to the vibrant streets of Puerto Rico where we lived and rescued our two crazy pups Roxy & Rico. Then we headed to the frozen amazingness of Alaska, and now we've settled in the mountains of Colorado. We're so excited to have you on this journey to bring more connection and excitement to your relationship!
